

REFERENCE 1 TO DOCKET NO. 00-43N, "RESIDUE CONTROL IN A HACCP
ENVIRONMENT"

FSIS Regulations (9 CFR Chapter III)

Definitions

FMIA Regulations--
Part 301

' 301.2 Definitions--
(see, e.g., adulteration
provisions).

PPIA Regulations--
Part 381, Subpart A

' 381.1 Definitions--
paragraph (b) (see, e.g.,
adulteration provisions).

Ante-Mortem Inspection

FMIA Regulations--
Part 309

' 309.16 Livestock suspected of
having biological residues.

' 309.17 Livestock used for
research.

PPIA Regulations--
Part 381, Subpart J

' 381.74 Poultry suspected of
having biological residues.

' 381.75 Poultry used for
research.

Post-Mortem Inspection and Disposal

FMIA Regulations--
Parts 310, 311, and 314

' 310.16 Disposition of
lungs--paragraph (b).

' 310.21 Carcasses suspected of
containing sulfa and antibiotic
residues; sampling frequency;
disposition of affected
carcasses and parts.

' 310.23 Identification of
carcasses and parts of swine.

' 311.37 Odors, foreign and
urine.

' 311.38 Meat and meat
byproducts from livestock which
have been exposed to radiation.

PPIA Regulations--
Part 381, Subparts K and L

' 381.78 Condemnation of
carcasses and parts:
separation of poultry
suspected of containing
biological residues.

' 311.39 Biological residues.

' 381.80 General; biological residues--paragraph (b).

' 381.91 Contamination--paragraph (a).

' 314.1 Disposition of condemned products at official establishments having tanking facilities; sealing of tanks.

' 381.95 Disposal of condemned poultry products.

' 314.3 Disposition of condemned products at official establishments having no tanking facilities.

Entry Into Official Establishments; Reinspection;
Livestock and Poultry Product Preparation and Processing

FMIA Regulations--
Part 318

PPIA Regulations--
Part 381, Subpart O

' 318.2 Reinspection, retention, and disposal of meat and poultry products at official establishments--paragraph (c).

' 381.145 Poultry products and other articles entering or at official establishments; examination and other requirements--paragraph (b).

' 318.6 Requirements concerning ingredients and other articles used in preparation of products--paragraph (b)(12).

' 318.9 Samples of products, water, dyes, chemicals, etc., to be taken for examination.

' 381.146 Sampling at official establishments.

' 318.16 Pesticide chemicals and other residues in products.

' 318.20 Use of animal drugs.

' 318.21 Accreditation of chemistry laboratories.

' 381.153 Accreditation of chemistry laboratories.

Records, Registration, and Reports

FMIA Regulations--
Part 320

PPIA Regulations--
Part 381, Subpart Q

' 320.1 Records required to be kept--paragraphs (b)(1)(iv) and (b)(1)(ix).

' 320.7 Reports by consignees of allegedly adulterated or misbranded products; sale or transportation as violations.

' 381.175 Records required to be kept--paragraph (b)(1)(iv).

' 381.181 Reports by consignees of allegedly adulterated or misbranded products; sale or transportation as violations.

Transportation and Related Transactions

FMIA Regulations--
Part 325

' 325.1 Transactions in commerce prohibited without official inspection legend or certificate when required; exceptions; and vehicle sanitation requirements--paragraph (c).

PPIA Regulations--
Part 381, Subpart S

' 381.190 Transactions in slaughtered poultry and other poultry products restricted; vehicle sanitation requirements--paragraph (c).

Imported Products

FMIA Regulations--
Part 327

' 327.2 Eligibility of foreign countries for importation of products into the United States-- paragraphs (a)(2)(i)(F) and (a)(2)(iv)(C)

PPIA Regulations--
Part 381, Subpart T

' 381.196 Eligibility of foreign countries for importation of poultry products into the United States-- paragraphs (a)(2)(i)(F) and (a)(2)(iv)(C)

' 381.202 Poultry products offered for entry; reporting of findings to customs; handling of articles refused entry; appeals, how made; denaturing procedures--paragraph (e).

Designated States and Territories; Establishment Designation

FMIA Regulations--
Part 331

' 331.5 Criteria and procedure for designating establishments with operations which would

PPIA Regulations--
Part 381, Subpart V

' 381.225 Criteria and procedure for designating establishments with operations

clearly endanger the public health; disposition of products; application of regulations-- paragraphs (a)(1)(i) through (a)(1)(iii).

which would clearly endanger the public health; disposition of poultry products therein-- paragraphs (a)(1)(i) through (a)(1)(iii).

FSIS Directives

10,130.1, Revision 3, Unidentified Analytical Responses (UARs)

10,220.2, Use of CAST and FAST Screening Tests for Bob Veal Calves

10,530.1, National Residue Program, dated 8/7/89

10,530.2, Guidelines for the Residue Control Program Established by Memorandum of Understanding (MOU)

10,530.3, Contamination Response System, dated 3/23/93

10,620.1, Revision 1, Submission of Surveillance Samples For Residue Analysis, dated 1/17/89

FSIS Notices
